

Standard Acquisition Charges (SAC) for organ acquisition

On an annual basis, Humana Military is required to report to TRICARE the SAC rates of our providers for the fiscal year. Please return this form to **HMHSPricingMailbox@humana.com** by July 31. Failure to supply this information will result in TRICARE using the facility's overall operation cost-to-charge ratio to reduce charges. See the *TRICARE Reimbursement Manual, Chapter 1, Section 40* for more information.
