

RECERTIFICATION REQUIREMENTS

ALL PROVIDERS

- If a provider has not submitted a claim within a two-year period, recertification is required.
- If practicing in a new state
- Applied Behavior Analysis (ABA) only - If certification requirements have expired

FACILITIES AND CORPORATE SERVICE PROVIDERS (CSP)

These classifications have a recertification timeline outlined in policy:

- Birthing center – Two years from date participation agreement is signed by a Defense Health Agency (DHA) designee
- Intensive Outpatient Treatment (IOP) – Five years from date participation agreement is signed by a DHA designee
- Opioid Treatment Programs (OTP) - Five years from date participation agreement is signed by a DHA designee
- Partial Hospitalization Program (PHP) - Five years from date participation agreement is signed by a DHA designee
- Residential Treatment Facility (RTC) - Five years from date participation agreement is signed by a DHA designee
- Substance Use Disorder Rehabilitation Facility (SUDRF) - Five years from date participation agreement is signed by a DHA designee

Change of ownership/Tax Identification Number (TIN) change – depending on the type of ownership change indicated on the TIN change form, new participation agreements may be voided and recertification is required
